We are your local conservation society. For the past 47 years we have been monitoring and commenting on local planning applications, organising talks and walks, and researching local history. We report environmental problems to the City Council – either directly to planning or highways officers or through our local Ward Councillors. We are a voluntary organisation, a Registered Charity (No.508024) and totally non-party political.

You may have seen our 40th Birthday plaque in front of the Aldi store in Gateacre Park Drive, and our Heritage Lectern on Gateacre Village Green. You may have read our adverts in the L25 Woolton Times.

We support Liverpool City Council's policies aiming to maintain the character of the Gateacre Village Conservation Area and our many local Listed Buildings. We also press for the safeguarding of trees, green spaces and public rights of way. We are concerned about the growth in traffic through Gateacre Village, but have successfully opposed the introduction of further speed bumps in Gateacre Park Drive and elsewhere.

We support the Friends of Gateacre, whose volunteers brighten up the village with flowering plants and who organise 'clean-up days' to tackle weeds and litter.

If you wish to become a member of the Gateacre Society, you will be very welcome. For details of forthcoming talks or other events, please visit our **Website** at www.gatsoc.org.uk – or follow us on **Instagram** or **Twitter @TheGatSoc**

The whole of the area covered by this map – centred on Gateacre Village – is the area within which most of our members live.

However, people living outside the area are also welcome to join.

Here are some of our achievements:
